

## Continual Oil and Immersion

You must have your own oil and be fully immersed in the Holy Spirit for Him to fully flow through you into the atmospheres, circumstances and people around you.

### Your Own Oil

The anointing is something you cannot buy or even receive through impartation. You must pay the price for the oil to be produced in your life.

 Matthew 25:8-9

The foolish ones said to the wise ones, 'Give us some of your oil, because our lamps are going out.' 'The wise ones answered, 'No, there won't be enough for us and for you. Go instead to those who sell oil, and buy some for yourselves.'

You cannot always depend on the anointing of those who paid the price for it. Sometimes no one is around to pray for you, agree with you for healing, encourage you, etc.

The oil must be purchased because there is a cost to it.

## Full Surrender

The more surrendered you are to the Holy Spirit, the more freely He can flow through you. The best way to understand your surrender is to look at the speed and fullness of your obedience.

### Ezekiel 47:3-5

As the man went out east with a measuring line in his hand, he measured off a third of a mile and led me through the water. It came up to my ankles. Then he measured off a third of a mile and led me through the water. It came up to my knees. He measured off another third of a mile and led me through the water. It came up to my waist. Again he measured off a third of a mile, and it was a river that I could not cross on foot. For the water had risen; it was deep enough to swim in, a river that could not be crossed on foot.

The measurement is used to separate the holy from the common.
